| | | <ul style="list-style-type: none"> • Arts & Crafts – the Arts and Crafts staff provides the opportunity for campers of all interests and abilities to practice fine motor skills and be creative. Arts and Crafts is a collaborative area where campers and staff work together to create and experiment. • Sense Room – the Sense Room is a space that provides both active and calming areas, as well as various types of sensory activities for campers to enjoy. These areas offer an opportunity to combine a range of stimuli such as light, color, sound, texture, taste, aroma and motor skills to engage the senses within an environment that promotes exploration and interaction in a safe place. One of the best parts of being involved in the sense room is knowing that you can find something for almost everyone to enjoy and have the opportunity to expand on every child’s individual interests. • Destination Fatima / Café Perk – Destination Fatima and Café Perk bring the experience of a café and an open-mic coffee house to the campers and staff. Campers can request music, sing and dance on stage, play real instruments, be part of the show and experience the thrill of being rock stars. Campers, counselors, and staff can also relax with refreshing cool drinks or fun, themed coffee beverages to help power them through the rest of their Fatimagical day. • Waterfront – Waterfront provides an opportunity for the kids to let loose and cool off after a long day of fun in in the sun. The waterfront staff consists of certified lifeguards who supervise swimming as well as boating and fishing at the nearby lake. During the week waterfront activities such as luaus and pool parties. They may also offer other games and events. |

Each camper has 7 objectives: 4 group goals and 3 individual goals. The campers are assessed on their performance on these 7 objectives throughout the three or four environments the individual engages in each day. The objectives can be but are not limited to, increasing impulse control, cooperating with peers, adapting to losing, concentration or staying on task, sharing with others, and the art of conversation. SFCC uses a behavioral program to replace ineffective, inappropriate behaviors with positive and effective behaviors. Because the camp environments are similar to the camper's natural environments, it is very likely that the behaviors taught at SFCC will generalize to the individual's natural settings (home, school, etc.). Modalities – Behavior Modification, Token Economy, Modeling+Rehearsal Training, Individual Behavior Therapy, Psychiatric Consultation+Therapy, Social and Emotional Skill Training, ABA.
