

TRANSITION SERVICES FOR 2020/2021

As we look to meet the transition needs of our students during these unprecedented times, **Educational Enterprises** and its **Transition Department** is ready to deliver a number of in-person and remote services as part of or in place of student internships (Structured Learning Experiences). These interventions include:

- A remote or in-person curriculum that includes the following and many other areas:
 - Exploring the World of Work
 - Expectations at Work (soft skills)
 - Career Exploration
 - Learning About skills related to Vocational areas
- Creating on-line, personalized student portfolios
- Using a variety of video platforms to explore students' vocational interests
- Consultation with teaching staff implementing pre-vocational classroom instruction
- Consultation with teaching staff implementing 21st Century Life and Careers curriculum
- Adult Life Coordinator – to assist families with the transition process
- Professional Development on best Transition Practices
- Specialized Guidance Counselor for students considering post-secondary options
