Summer Kids and Teens Program

If you're looking for educational or just for fun classes, we're the place to be this summer! Bergen Community College provides summer programs for ages 7 through 18. We offer two distinct programs:

2019 Kids & Teens Camp (ages 7-17)

Each year we offer new and exciting classes, in addition to old favorites. And this year we are proud to announce that we are expanding our program to 7 weeks! Click the link below to view our new culinary offerings, arts, STEM, robotics and enrichment camps.

Classes will run Monday through Friday from June 24th through August 16th. You can choose to send your child to camp for one week, selected weeks, or the entire seven weeks. The classes might be full days, 9 am - 4 pm, or half days, 9 am - 12 pm or 1 pm - 4 pm. We also offer Before Care and After Care, as well as lunch time supervision.

High School Enrichment & Remedial (grades 9-12)

We offer enrichment, remediation, and new work for credit courses to middle and high school students. Examples of courses include math, English, sciences, history, and physical education.

Classes begin July 1, 2019 and end August 2, 2019.
