- In 2 weeks, campers learn everything from script development, pitching an idea, lighting, directing, acting, editing, animation, and shoot a 60 minute digital short film.  
- The program is inclusive to kids with special needs and on the higher end of the autism spectrum or Asperger’s.  
- It is not a special needs camp, however, the program infuses social skills in a creative environment with film making the common denominator.  
- The focus is on collaboration and support of each other’s creative contributions.  
- Once the film is complete, a red carpet premier is held and the campers see the end result of their creation. Each camper leaves with a copy of the film.  
- It is an amazing experience for all involved.  
- We additionally hold monthly film club (Peer Vision Film Club) at our center in Hackensack to continue the newly made relationships and extend the film making opportunities. (Oct. - June).  
- Joey’s program is more than impressive. He runs the show and the kids are drawn to him.  
- ANY kid who loves film and wants to learn from the pros will love this camp!  
- Camp is offered for two weeks; Monday – Friday 10:00am – 3:00pm.
