## FREE VIRTUAL GAME DESIGN WORKSHOP

*INVITATION TO PARTICIPATE IN A RESEARCH STUDY*

**SUMMER 2021 (1 - 4:30 PM EST): JULY 12 - 23 OR AUGUST 9 - 20**

### ABOUT

This program is for students ages 14-21 on the autism spectrum who would like to participate in a research study workshop at Tech Kids Unlimited during Summer 2021. The program will meet remotely in July and August, and you can sign up for either session which consists of a two-week game design workshop. Before, during, and after each workshop, students will complete surveys and answer questions about their goals and interests. These workshops will help us learn how to more effectively teach students who learn in different ways. Participants in the study will enroll in the game design workshop free of charge and earn a \$50 gift card for attending and completing assessments.

### ELIGIBILITY

- Between the ages of 14-21
- Formal documentation of Autism Spectrum Disorder
- Available for online workshop for entire two week period in either July or August / 1 PM - 4:30 PM EST
- Available for two 2-hour sessions for assessments at your convenience before and after the workshop
- Have never taken a TKU workshop before
- Must participate with a computer rather than a tablet/mobile device
