## **DVRS Information Session with Youth Transition Collective**

The Youth Transition Collective is very excited to announce our first webinar of 2026 featuring the **New Jersey Division of Vocational Rehabilitation Services (DVRS)**.

We'll be joined on **Thursday March 19, 2026 at 6pm** by **Toni Scott** from DVRS. She'll provide information on how to access the support DVRS can provide to young people approaching transition age. The mission of DVRS is to help people with disabilities in New Jersey achieve employment goals matched well with their strengths and interests. Students can apply for support through DVRS beginning at 14 to begin helping ensure a smooth transition from school to work.

The Youth Transition Collective looks to highlight important information for young people preparing to move into adulthood. DVRS fits right in line with that mission as their team focuses on obtaining and maintaining employment.
