

EDUCATIONAL ENTERPRISES

NEW SERVICES FOR THE 2019-2020 SCHOOL YEAR

- **Counseling Services** by School Psychologist – School-based therapy, group or individual – includes collaboration/consultation with staff members to identify at-risk cases
- **Home Instruction** by Special Education teachers, after-school
- **CST Coverage** by School Psychologist or LDTC as needed
- **Adult Life Coordinator** to work with families as students transition from school to adult programs (guidance with agency alignment, funding, and available programs for adults with disabilities)
- **Job Coaching** after school hours
- **AT Tools for the Special Education Classroom** AT specialist will visit the classroom to determine which technology tools might benefit the classroom as a whole
- **Job Coaching** students with behavioral challenges - designed for students who can participate in pre-vocational experiences and need more significant “on-the-job” behavioral supports in order to socially and behaviorally navigate their environment successfully – includes supports by job coach and behaviorist
- **Mindfulness Curriculum** – classroom instruction and/or teacher training in order to integrate on-going, school-based mindfulness practices
- **Audiological Evaluations** – by licensed audiologists to identify degree and type of hearing loss
- **Bilingual (Spanish) Learning Evaluations** – by licensed LDTC

Learning Knows No Bounds
