TEACHER SUPPORT TEAMS

Educational Enterprises is excited to announce new services to support teachers in their classrooms. These services are designed to assist new teachers as well as experienced teachers who are facing new challenges. Support will be available for both special and general education classrooms and can include the following:

SPECIAL EDUCATION

- Individualized Instruction Strategies
- Assistive Technology for all learners
- Behavioral Supports (whole class or individual)
- Assistance with IEP Goal Writing & Implementation
- Development & Implementation of CBI & Pre-Vocational Programs
- Reading Specialist Services for Individual Students and/or teachers
- Professional Development for Staff
- Curriculum Supports
- Structured Literacy Strategies

GENERAL EDUCATION

- Development of Assessment Tools & Strategies
- Data Analysis to inform instructional practices
- Creating whole-group, small-group, and individualized learning plans based on data assessment
- Response to Intervention
- Language Arts Literacy
- Coaching & mentoring new teachers
- Development of Classroom Management Strategies
