Digital Tools for the Classroom

301 - Technology to Differentiate Lessons

05/21/20 9:00am – 12:00pm \$75 Louise Ortiz

In today's classroom, creating digital differentiated lessons and assignments is a must, but how do you know what technology to use? This workshop will explore the latest technologies that lend themselves well to creating differentiated lessons. We will explore the features and capabilities of tools such as G Suite apps, student response tools, multimedia apps and more to create assignments that are leveled and provide choices for all learners.

302 - Assistive Technology Tools to Support Dyslexia and Reading Disabilities

06/09/20 9:00am – 12:00pm \$75 Farrah Rosenthal

Many of our students are struggling with learning disabilities and Dyslexia is one of the most common. Come see how to use web tools, the Google environment, apps, and extensions to support the learner's reading and writing skills. There are many free supports available now!

303 - Get Organized with Microsoft OneNote

05/07/20 9:00am-12:00pm \$75 Rasheda Islam

OneNote is a digital note-taking app that provides a single place for keeping all of your notes, research, plans, and information. In this workshop, you will learn to start your own digital notebook, type anywhere, tag notes, make lists, think, plan and share together with others. **Beginner level workshop.**

Digital Tools for the Classroom

304 - Engage and Empower Student Voice

03/25/20 9:00am – 12:00pm \$75 Farrah Rosenthal

Are your students tired of the same old classroom activities, handouts, and discussions? Do you have students who are reluctant to participate in the classroom discussion? Do you just want some pizzazz in class?! Learn how to empower and engage student response with greens screens, video, audio, and podcasting using web-based and iPad tools. Let's give their voice a choice!

305 - S.T.E.A.M.

04/21/20 9:00am – 12:00pm \$75 ETTC Team

This workshop will discuss and demonstrate both digital & hands-on tools to implement STEAM lessons in the classroom. Participants will explore Google apps and programs for student assignments and assessment. There will be hands-on, center based activities to allow the exploration of various digital tools and manipulatives to implement STEAM based lessons. Join us for a fun, collaborative day!

306 - Go Digital with Your Writing Workshop

03/19/20 9:00am – 12:00pm \$75 Farrah Rosenthal

In this digital world, let's move away from loose pages, poor handwriting, dogeared folders, and lost homework. Learn how your students can "go digital" with their Writing Workshop. Focusing on web-based tools as well as iPad apps, this workshop will expose you to new ideas to address the major components of the WW: Mini-Lesson, Independent Writing, Conferencing, and Sharing/Author's Chair.

Digital Tools for the Classroom

307 - Kinder Coding!

04/02/20 9:00am – 12:00pm \$75 Farrah Rosenthal

Coding and programming have quickly become 21st century skills our students are expected to learn in their STEM programs. Early exposure can help them in the future. Enter coding in kindergarten! Join us for a fun, hands-on session to learn about low-tech, high-tech, and no tech programming for your early learners.

308 - Technology and Student Wellness

04/30/20 9:00am – 12:00pm \$75 Louise Ortiz

Many educators today recognize the need to address student wellness in the school setting due to its impact on student performance and learning. School districts across the country are implementing mindfulness programs, self regulation and social emotional learning strategies and are excited about the results. This workshop will address how technology has a role in student wellness and will explore tools to support the implementation of mindfulness, self regulation and social emotional learning in the classroom. We will focus on specific apps and technology-based lessons to support student wellness.

309 - Awesome Apps for Game-Based Learning

04/22/20 9:00am – 12:00pm \$75 Farrah Rosenthal

Our digital natives love their device gaming. Whether it's Minecraft, Fortnite, or Pokemon Go, your students are playing something on those those phones and tablets. Let's harness that competitive play and creativity with game-based learning in the classroom. Learn how to access, create, and play educational games available on your tablets and computers. With names like Kahoot and Plickers, how can you resist? Bonus! Many of them are FREE.

Digital Tools for the Classroom

310 - Escape Activities for the Classroom

06/04/20 9:00am – 12:00pm \$75 Louise Ortiz & Judith Fiorica

The Escape Classroom is a fun new way to engage your students and encourage collaborative learning. But what is it exactly and how do you do it? In this workshop, we will break it all down for you and provide you with resources and ideas that will get you on your way to making exciting new activities that match the learning goals of your classroom. We'll explore how to implement “breakouts” using both virtual and physical locks.

311 - Immersive Learning with Augmented and Virtual Reality Tools

05/12/20 9:00am – 12:00pm \$75 Louise Ortiz

In this workshop, you will learn what Augmented Reality and Virtual Reality are and how these exciting tools can be used in the classroom. AR and VR allow for an immersive multimodal approach that engages students in active learning experiences! Explore the inside of a volcano right in your classroom with VR, or let your students create interactive projects that come alive! Come learn how to get started with free tools for your classroom. Bring an iPad if you have one!

312 - iPad Apps for Your Self-Contained Classroom

03/05/20 9:00am – 12:00pm \$75 Farrah Rosenthal

Do you teach in a self-contained classroom? Are you curious about new ways you can modify and adapt materials for your special needs students? Join us for a fun session to discuss awesome iPad apps to help you create adapted materials and engaging educational activities for your students. You will leave with the knowledge to create an iPad “toolbox” for your self-contained classroom.

Digital Tools for the Classroom

313 - Project Based Learning in the Elementary Classroom

05/18/20 9:00am – 12:00pm \$75 Farrah Rosenthal

Calling all Kindergarten through 5th grade teachers! Come join us as we discover projects and apps to address the four C's of the NJ Student Learning Standards - creativity, critical thinking, communication, and collaboration. Learn about the key elements of PBL and see how other teachers make it work! It will be a fun, hands-on workshop to play and learn these apps and projects. This workshop will focus on iPad and Chrome based tools.

314 - An Introduction to Microsoft Teams

06/10/20 9:00am – 12:00pm \$75 Rasheda Islam

Do you like Google Classroom but you are in a Microsoft environment? Microsoft Teams is very similar! In this workshop you will learn about key features such as: creating teams (which are just like Google Classrooms), collaboration, creating assignments, and app sharing. **Beginner level workshop.**

315 - Flipping out! An Introduction to the Flipped Classroom for Blended Learning

05/06/20 9:00am – 12:00pm \$75 Farrah Rosenthal

You've been hearing the buzzword for a few years now, but what is a Flipped Classroom? Join us for a morning of flipping out! Learn best practices, tips and tricks, and the easiest tools to use to "flip" your classroom and put your students in charge of their learning.

Google Workshops

600 - Google Projects

03/03/20 9:00am – 12:00pm \$75 Louise Ortiz & Rasheda Islam

Did you know that students can find their likeness to famous portraits, explore the stars... or doodle their way to a scholarship? Google has tons of exciting projects to drive inquiry-based learning that you can implement in your classroom. This workshop will guide you to implement projects with G Suite and other Google programs on computers and mobile devices, and provide resources to obtain materials for your classroom.

601 - Utilizing Google Arts & Culture in the Classroom

06/03/20 9:00am - 12:00pm \$75 Farrah Rosenthal

Explore historical places, events, and people. Take virtual field trips to galleries and museums across the world. Curate your own galleries and virtually walk through places your students may never visit. Using the FREE app, discover artworks and places with augmented reality. No matter your concentration - come see how Google Arts & Culture can fully immerse your students in an engaging format. Please bring an iPad if you wish to participate hands-on.

602 - Google Slides: An Interactive Blast!

06/08/20 9:00am - 12:00pm \$75 Louise Ortiz

Join us and take an in depth look at the cool things you can do with Google Slides! Participants will learn to create activities such as interactive notebooks, student response activities, ebooks, clickable lessons and formative assessments using Google Slides. Who knew!?! Please have a Google Account prior to attending.

Google Workshops

603 - Introduction to Google Classroom

05/28/20 9:00am – 12:00pm \$75 Farrah Rosenthal

You may already be using and sharing in Google Drive, but have you experienced the ease of Google Classroom? Google Classroom is an amazing tool for sharing, collaborating, and communicating with your students and colleagues. Learn how to assign work, retrieve work, add engaging materials, and conduct meaningful dialogue with your class through this FREE online platform.

604 - Creative Ways to Use Google Forms in the Classroom

05/05/20 9:00am – 12:00pm \$75 Judith Fiorica

This workshop covers everything you need to know to use Google Forms to create surveys, quizzes, and differentiated activities for the classroom. We will start at the very beginning and walk through form creation, the use of different question types for different purposes, self-grading quizzes, and branching forms that respond to individual students' learning needs. No prior knowledge of forms is required.

605 - Google Tools for Middle/High School

04/16/20 9:00am – 12:00pm \$75 Louise Ortiz

Your students have been “Googling” for years- but Google has much more to offer! This workshop will take an in depth look at the range of tools that Google provides to facilitate student driven learning experiences. This class is designed for those who have a basic knowledge of Google Drive, but want to learn more about the core G Suite apps, Google add-ons and Chrome extensions to create engaging and differentiated lessons for 21st Century learners!
