2023 Virtual Fall Session

Grades 6-8

Classes start October 30, 2023
All courses run for 8 weeks
Two 75-minute classes each week

Courses Offered

MathCounts Training Camp

Monday/Wednesday 5:00pm - 6:15pm

This course prepares the student to enter math competitions held at their school and to join the math team at their school or participate in the MathCounts team at their school. This course teaches advanced methods of how to solve math competition problems in probability, combinatorics, permutations, the Pythagorean theorem, computing areas, and prime numbers.

Geometry

Tuesday/Thursday 5:00pm - 6:15pm

This course covers selected topics in advanced Geometry helping to prepare the student for further study of geometry at the high school level and introduces the student to some types of geometry problems found on the SAT exam. Topics covered are perimeter and area, parallel lines and perpendicular lines, GeoGebra geometry software, triangles, quadrilaterals, and transformations.

Please Note: After the first week of class, there is a \$150 nonrefundable fee and the remaining credit can be applied to a course in the next session if you choose not to remain in that class. After 2 weeks of class, no refunds will be issued.

Registration open!!

Enrollment Fee

\$450* per course

*plus credit card fee
