

Club Name	Mission Statement	Meeting Day	Meeting Location	Supervisor
Financial Literacy Club (FLC)	At FLC, we aim to promote financial literacy and awareness for teenagers through discussions of important money topics and partnerships with Bergen County libraries to offer members the opportunity to share their knowledge.	Every other Wednesday	Room 138	Mr. Respass
All Together Club	This club will provide students with volunteer opportunities, such as going to local schools with children with disabilities and doing projects and extracurricular activities with them. We will also be discussing the importance of why these programs are necessary to connect disabled people and non-disabled people together, how we can make local places more accessible, and even listen to speakers talk about their own experiences.	Friday	Room 236	Ms. Wallace
Code for Charity	This morning club will aim to develop websites and technology for charities and nonprofits who struggle in those departments for free. We will use JS (Libraries), HTML, CSS and other tools to create effective websites and technologies. We will combine many skills like coding, art, and networking to best benefit charities and nonprofits we are working with.	Friday	Room 138A	Mr. Respass
Coral Club	At the Coral Club, we will primarily be doing hands on research and maintenance on the coral tanks at the Makerspace. There will be opportunities for research, aquascaping, and occasional field research opportunities.	Friday	Environmental Science Center (ESC)	Mr. Vollenweider
Creative Writing Club	Creative Writing Club's mission is to build a community of writers by hosting school-wide creative writing competitions and publishing biannual creative writing submissions from BCA students. We hope to uplift BCA writers, improve our skills, and continue to connect different writers at BCA and beyond.	Friday	Upper Cafeteria	Ms. Hessami
Investment Analysis Group	-As the Investment Analysis Group, our mission is to work to bring forth the next generation of investors, encouraging the values of financial literacy and financial education in the student body. Primarily, we strive to give students the opportunity to understand financial markets through lessons, interactive case studies, presentations, and competitions; helping those individuals to gain a new wealth of knowledge, develop invaluable critical thinking and complex analytical skills, explore future career opportunities, or find their own passion in finance.	Friday	Room 175	Mr. Gutierrez
NSDC Club	NSDC is a national organization that aims to teach students about data science, engage them in research projects, as well as connect them with professional mentors. We organize seminars and events to have experts speak to club members, establishing industry-level connections.	Friday	Room 138 B	Mr. Respass
pASIA	pASIA's mission is to spotlight Asian culture and promote activism within the Asian diaspora at BCA.	Friday	Upper Cafeteria	Ms. Kim
South Asian Club	The mission of South Asian Club (SAC) is to promote awareness of South Asian culture, traditions, and holidays within the BCA student population. SAC aims to host events throughout the year to celebrate traditional holidays as well as distribute informative resources to BCA students.	Friday	Room 138	Ms. Wang
Sports Med Club	Our mission is to inspire and educate students in various fields of sports medicine including orthopedic surgery and physical therapy as well as sports psychology, nutrition, biomechanics, and physiology. We will host guest speakers and interactive learning experiences such as mock patient scenarios in addition to creating a sports medicine podcast.	Friday	Upper Cafeteria	Ms. Wallace
Women's Empowerment Club	Empowering students of any gender identity to take action in their communities, foster a supportive environment, and address struggles women face in the modern world. We work with volunteer organizations like Zimele to support women confronting poverty in South Africa, and we prepare supply baskets for BCA bathrooms.	Friday	Upper Cafeteria	Ms. Fillebrown
Senior Check In	Senior Check In facilitates high school student volunteers connecting with lonely seniors in nursing homes and senior centers. Volunteers regularly call their assigned companions, providing companionship while also earning volunteer hours.	Friday	Upper Cafeteria	Mr. Mazurek
CLI-MED	A youth initiative affiliated with theclimateclub.co , we strive to help passionate individuals make impacts on local communities through climate health advocacy and peer education. We aspire to educate the next generation of climate leaders by sharing digestible, unbiased and enlightening content on environmental health.	Fridays	Upper Cafeteria	Mr. Mendelsohn
Alzheimer's Foundation of America BCA Chapter	The BCA AFA Teens chapter's mission is to educate and spread awareness about Alzheimer's disease to high school students and beyond, and empower those struggling with Alzheimer's in our local Bergen County community.	Monday	Upper Cafeteria	Dr. Smith
BCA Global Brigades	The Global Brigades BCA chapter club is a branch of Global Brigades, an international nonprofit organization aiming to achieve the health and economic goals of communities around the world. This club is unique considering its focus on establishing a sustainable medical system within a community as well as building up leadership and collaboration of its student volunteers. The Global Brigades BCA chapter chose to focus on the medical supplies collection project as its medical squad initiative, which will include organizing fundraisers and donations to collect medical supplies and even possibly sending students out to clinics in developing countries to directly support these communities once enough students qualify for such mission trips. As a part of our club program, we plan to offer various certifications and courses that students could partake in. For instance, we offer an online program known as the Global Medical Challenge in which our members can complete a series of online modules to identify medical challenges.	Monday	Upper Cafeteria	Dr. Sabio
Bergen Youth Beyond Plastics	Bergen Youth Beyond Plastics is an official Local Group of the national Beyond Plastics team, and we hope to decrease plastic pollution with local steps in our community. We will not only educate others through seminars, screenings, and social media, but also take direct action through networking events such as park cleanups and working with local governments.	Monday	Upper Cafeteria	Ms. Blake

Green Scouts	The primary mission of Green Scouts is to foster community togetherness and improve the overall quality of life in our local area through initiatives centered around agriculture, urban farming, and improving nutrition. The club aims to promote better agriculture practices within the school through community gardens and green roofs, collaborate with local farms to source fresh ingredients and create nutritious food for distribution to those in need, and engage students in hands-on experiences related to agriculture, cooking, and community outreach.	Monday	Room 236	Ms. Wallace
Hands of Hope	Our mission is to bring joy into the lives of veterans, hostage families, doctors, patients, and more. To do so, we will write letters, create care packages, and provide entertainment such as drawing classes.	Monday	Upper Cafeteria	Ms. Wallace
Interesting Club	The Interesting Club aims to share topics in the formal sciences, including mathematics, computer science, and linguistics.	Monday	Room 136	Ms. Wang
Letter by Letter	Letter by Letter is a peer-to-peer pen pal program and a branch of the Show Me Your Heart Foundation committed to connecting elementary and middle school students struggling with reading and writing in the classroom to student volunteers in high school. In this program, students will be given the chance to exchange letters that provide emotional support and encourage literary development through prompts, guides, and other aides that are also included in the letters. Letters are expected to be mailed on a weekly or bi-weekly basis.	Monday	Upper Cafeteria	Mr. Mazurek
LitWits	We aim to provide a fun, relaxing space for students to share their love of books and encourage students to read.	Monday	Room 138 A	Ms. Wang
Society of Women Engineers	SWE is a club dedicated to providing a safe space that encourages women to pursue careers in STEM. We attend fun events together, organize fundraisers, and, in general, create a close-knit community	Monday	Room 164	Mr. Samarkone
SPECTRUM	The mission of SPECTRUM at BCA is to create a tight knit community and space at BCA. We aim to support members of the community both at BCA and in the world.	Monday	Room 216	Mr. Kaplan
St. Jude Club	The St. Jude Club is dedicated to fostering a community of compassionate individuals who actively engage in meaningful volunteer service and advocacy, supporting the well-being of children and families impacted by life-threatening illnesses. Through education, outreach, and collaborative initiatives, we aim to empower our members to become champions of hope and healing, ensuring every child has access to quality care and a brighter future.	Monday	Upper Cafeteria	Mr. Seventko
BCA Beautification Club	BCA Beautification Club decorates the school based on different holidays and themes, creating a welcoming environment for everyone to enjoy.	Thursday	Upper Cafeteria	Ms. Maks
BCA Model Congress	The purpose of Model Congress is to encourage respectful discussion about national issues, incite debate to create solutions to current events, and educate club members about the government in a simulation of the US Congress. Model Congress is a prestigious activity encompassing politics, law, current events, science, and economics.	Thursday	Room 034	Mr. Lancaster
Black Latine Student Union	Black & Latine Student Union is a student-run organization working to create a supportive, equitable, and embracing community, especially addressing Black and Latine student needs.	Thursday	Room 136	Ms. Kym Acuña and Mr. Michael Smith
Compassionate Paws Society	Our club's mission is to help stray animals in need through providing them care and support with a priority on their current as well as future wellbeing. In order to accomplish this, we will collaborate and volunteer for local animal shelters and organizations that stand by our vision, raise money to aid in the rescue and recovery of stray animals, and create and distribute thoughtful but simple gifts (that we will make together) to cheer up the animals who are waiting to find a home.	Thursday	Upper Cafeteria	Mr. Lancaster
CS Unite	Our club's mission is to increase the accessibility of and support for computer science education for aspiring students in Bergen County and beyond, and to provide inspiration and motivation for those interested to join the field of STEM, by providing free online CS lectures on a variety of topics each week on our website, through organizing freely accessible scholarship and internship online libraries for club members and interested students alike, to boost similarly aligned non-profits on our website, and to create CS educational content for world wide web usage.	Thursday	Room 138B	Mr. Sen
East Asian Association	East Asian Association strives to share East Asian culture through the Lunar New Year Festival and support East Asian communities through fundraisers.	Thursday	Room 164	Mr. Samarakone
Forensics Club	Our mission is to educate our fellow students on forensic science in a fun and simple manner that cultivates their interest in the topic.	Thursday	Upper Cafeteria	Ms. Drapczynski
GameAMPD	This club's mission is to use the Unity program to design games that accommodate for patients with mental and physical health issues. During club sessions, we will combine music composition, art, and C# programming to build unique games that people with disabilities can access. In general, we give members a unique and beneficial way to express their love for game development.	Thursday	Room 138 A	Mr. Sen
Hispanic Culture and Community Outreach Club	Raising money for underserved elementary school students; teaching English as a Second Language classes; exploring Hispanic culture and cuisine.	Thursday	Upper Cafeteria	Profe. Calandra
HOSA	HOSA is a student-led organization that supports students in their journey to pursue an interest or even a career in the medical field. HOSA empowers future healthcare professionals to become leaders in the global health community through education, collaboration, and experiences.	Thursday	Room 224	Ms. Stott
Korean Language and Culture Club	Our primary goal is to properly spread the Korean culture and language to the local community as well as BCA students. We plan on achieving this through events that engage the community as well as learning opportunities.	Thursday	Upper Cafeteria	Dr. Smith
Lemon Club	Our mission is to fundraise money and bring awareness to the organization Alex's Lemonade Stand which collects and donates money in order to support research for pediatric cancer.	Thursday	Room 033	Ms. Paula
LitMag	LitMag is BCA's award-winning literary and art magazine club. Compiling writing and artwork in multiple publication editions per year, LitMag aims to highlight the creative abilities of students at BCA.	Thursday	Room 035	Ms. Villanova

Omid for Girls	Omid for Girls is a program that allows for girls in Afghanistan to get an education and companionship through highschool girls in the USA tutoring them in English and Math. The aim of the program is to prove to these girls that they can still get an education, even if their circumstances make it difficult for them to do so, and I think opening a chapter at BCA would be beneficial to the students to learn more about circumstances outside of just the US.	Thursday	Upper Cafeteria	Mr. Mazurek
Pod Squad	The objective of our club is to introduce students to podcasts, learn about their different aspects, and collaborate to create podcasts of their own. The podcasts that students will create will revolve around and draw relations between current day events both in and out of school, informing audience listeners in an educative yet entertaining manner.	Thursday	Upper Cafeteria	Ms. Hessami
PoliSci Club	We aim to promote civic education and engagement in BCA by encouraging students to write about current political events and connect policy and campaigning to their lives.	Thursday	Room 034	Mr. Lancaster
Project BooksForAll	BooksForAll is a club designed to spread literacy and serve our community. Every year, we host multiple service initiatives in the hope of providing students across the globe with access to books and reading resources. Some of our current initiatives include creating mini libraries from scratch (in the BCA MakerSpace), an international literacy research program, and hosting multiple Book Drives throughout the year! Come join our mission and support the spread of literacy while also engaging in meaningful community activities!	Thursday	Upper Cafeteria	Mr. Kramer
Studio 007	BCA's first ever student-run film company works to teach and share the art of filmmaking with other BCA students. We work on various creative projects throughout the year and learn various filmmaking techniques.	Thursday	Room 7	Ms. Pero
Studio 216	To empower students to explore running a theatre. This club will allow students who are interested to try out different roles within a theatre company and gain experience.	Thursday	Room 7	Ms. Pero
Sustainability Club	At the Sustainability Club, we strive to uplift and promote the United Nations' 17 goals of sustainability within BCA.	Thursday	Room 236	Ms. Wallace and Mr. Liva
The Euphonia	The Euphonia is a club dedicated to helping underprivileged kids get more access to music education and music-related subjects through magazines. We aim to develop the love of music in these children and give them the opportunities to develop their musical knowledge, regardless of economic background.	Thursday	Room 5	Mr. Lemma
Wellness Club	We are a student-run club at BCA and we aim to create a healthier and more conscious environment in our school in terms of mental health and wellness through initiatives and awareness. The goals of the Wellness Club are to make students more aware and comfortable with the resources available to them, run annual events to promote methods used for practicing wellness, and destigmatize mental health in the BCA community.	Thursday	Upper Cafeteria	Ms.Sytsma
Amnesty Club	Amnesty Club's mission as a chapter of Amnesty International is to unify students enthusiastic about campaigning for human rights for people across the globe, creating a force that strives to take action and make a difference within our school community and beyond. By implementing the values of the global organization within our own environment, Amnesty Club aims to bring issues of equality and justice to light while getting students involved in battling these issues for the greater good.	Thursdays	Room 7	Ms. Pero
American Sign Language Club	We will learn the basics of American Sign Language through fun activities and practicing together. We hope to bring awareness to aspects of deaf culture and help BCA students become more comfortable communicating through ASL.	Tuesday	Upper Cafeteria	Ms. Fillebrown
BT Knights Report	BT Knights Report aims to promote school spirit toward our sports teams by highlighting student athletes and their achievements.	Tuesday	Upper Cafeteria	Ms.Drapczynski
Code Crimson EMT Club (CEMT)	Introducing EMT and teaching basic EMT skills to those enrolled and to be enrolled in EMT School.	Tuesday	Upper Cafeteria	Dr. Sabio
Cook & Connect	Through cooking and baking therapy, Cook & Connect strives to help teens struggling with their mental health.	Tuesday	Room 044	Ms. Hessami
Empowering Women in Business	The mission of the Empowering Women in Business Club (EWB) is to build an inclusive community of future BCA leaders who have interests or ambitions within the business fields. EWB strives to form a network of business-oriented students to combat the lack of workforce diversity and gender equality in the professional world by hosting events such as the Bergen County Empowering Women in Business Conference, financial literacy workshops, and professional clothing drives.	Tuesday	Room 180	Ms.Sawhney
Expressive Evolution	Expressive Evolution is a club that aims to develop effective communication skills in the younger generation by organizing events such as TEDxBergen, a TEDx talk held right at BCA, assemblies held at middle schools throughout the county, and engaging seminars reaching all corners of the world. Participants will have the opportunity to aid in the planning of TEDxBergen, speak at county-wide events, prepare for oratory competitions, fund education possibilities for students in underprivileged communities, attend schools as guest speakers, and get community service hours while doing it!	Tuesday	Room 49	Mr. Lancaster
FBLA (Future Business Leaders of America)	FBLA inspires and prepares students to become community-minded business leaders in a global society through relevant career preparation and leadership experiences.	Tuesday	Upper Cafeteria	Ms.Drapczynski
Jewish Student Union	To create an environment for Jewish students to celebrate our cultural experiences.	Tuesday	Room 216	Mr. Kaplan
Key Club	Key Club is a way to encourage students all over the world to engage in community service activities and even lead some of their own! Key Club consists of fundraisers, different projects within and out of school (which you can create), as well as ways to connect with people within your division and across the state.	Tuesday	Room 154	Mr. Madden
Muslim Student Association	The Muslim Student Association aims to create and foster a safe and encouraging environment for all Muslims through weekly meetings, competition, events outside of school, and collaboration with other MSAs in New Jersey. Our club aims to allow Muslims to meet other Muslims and gain advice and tips on life, school, college applications, overcoming hardships and struggles.	Tuesday	Room 138 B	Mr. Sen

Operation Smile	We hope to give BCA students the opportunity to learn about cleft palate medical conditions while helping a special cause by planning to speak with surgeons and medical volunteers from Operation Smile to understand the nature of cleft palates and how it can affect a person's life. Additionally, we aim to focus around the value of giving back to others by setting up donation drives for cleft patients near us and abroad with the end goal to encourage club members to expand their interest in underfunded medical conditions and make an impact together as well as learning more on topics in dentistry.	Tuesday	Upper Cafeteria	Ms.Pinto
Ping Pong Club	Ping Pong and Wellness Club's mission is to improve students' physical and mental health, allowing students to relieve stress from BCA's heavy workload or other personal matters. We aim to improve the mental wellness of our members while having fun playing ping pong matches and tournaments at the same time.	Tuesday	TBD	Dr. Bath
Red Cross	The American Red Cross Club provides its members with opportunities to develop leadership skills and make a profound impact in their community through volunteering and leading events. This year, we hope to raise money for various Red Cross initiatives, give members the opportunity to become trained in CPR, learn about the process of becoming an EMT, and establish a blood drive.	Tuesday	Upper Cafeteria	Ms.Stott
The Archive: Music Podcasting	This is a club dedicated to running an original student musician-led podcast called The Archive, an Instagram-viral podcast (@thearchive.podcast) where we aim to reduce toxic perfectionism in music through creating podcast episodes of student musicians' practice recordings and interviews. Students who are interested in music, audio editing, video editing, interviewing, and visual art are welcome to join!	Tuesday	Room 34	Mr. Lancaster
Women in STEM	Our mission is to help educate young women in STEM topics, and encourage them to pursue those topics through networking opportunities and mentorship with female STEM professionals through connections with the national Women in STEM charter.	Tuesday	Room 138 A	Mr. Sen
Analyzing Statistics Through Sports	Analyze football (fall), basketball (winter), and lacrosse/baseball (spring) statistics and what they mean for fantasy teams, fans, bettors, and players.	Tuesday	Room 165	Ms. Kaba
Infinite Horizons Alliance	If you're someone who wants to be a part of a force dedicated to combating the stigma of the autism community and wants to make an impact, Infinite Horizons Alliance is right for you! This club will offer many opportunities to learn about the autism community and build connections with people with autism through hands-on volunteering experiences, inspiring a culture of support and acceptance within our school community and beyond.	Tuesdays	Upper Cafeteria	Ms. Drapczynski
Academy Scientific	For over the past decade, Academy Scientific has been BCA's very own scientific magazine dedicated to spreading news about scientific advancements to the student body through literature. We produce seasonal journals — highlighting interesting news in science, and also work being done in BCA's own research labs.	Wednesday	Room 224A	Dr. Sabio
BCA Entrepreneurship Club	The BCA Entrepreneurship Club aims to connect BCA students with leading companies through conferences, internships, and competitions, while also hosting events to solve real-world business challenges. We focus on hands-on learning, research, and innovation, preparing members for success in BCA entrepreneurship and beyond.	Wednesday	Room 175	Mr. Gutierrez
Disease Detectives	Disease Detectives aims to explore rare diseases through presentations, activities, and real-life scenarios to raise awareness and understanding. Our club not only emphasizes raising awareness but we aim to create a supportive environment for students to learn and understand rare diseases in a meaningful, fun and creative way.	Wednesday	Room 239	Mr. Mazurek
Rotary INTERACT Club	INTERACT is BCA's chapter of the Rotary International Organization.	Wednesday	Room 179	Mr. Fogg
HOME Club (Hearts Open to Migration & Empowerment)	HOME Club is dedicated to increasing awareness of the challenges faced by immigrants and refugees in the United States and helping them integrate into their new homes. Club members will engage in various activities, including hosting fundraisers, volunteering in local refugee support organizations, and assisting in educational programs to provide them with the skills and opportunities necessary for sustainable employment and long-term success.	Wednesday Meeting	Room 236	Ms. Wallace
FOHTA (From One Heart To Another)	FOHTA is dedicated to creating a positive impact in our community by tackling critical issues such as poverty and food security. We believe that every human being deserves the right to live a dignified and fulfilling life, and we hope to strengthen our community through our team's collaborative planning of impactful initiatives.	Wednesday Morning	Room 042	Ms. Crimmel
Printing with a Purpose	With Printing with a Purpose, our mission is to motivate and influence children to use engineering and technology to improve the well-being and mental health of children and teens in their communities. By harnessing the creativity and innovation of CAD, 3D printing, and other engineering disciplines, we aim to create interactive kits that provide enjoyment for all and equip the next generation with the skills and mindset to build a brighter future through innovation.	Wednesdays	Room 168	Mr. Samaronke
