## Reasons Applications do not get approved after submission

- **Duplicate email addresses:** The parent / guardian lists the SAME personal email address for two or more applicants applying during the same year. When this happens, the second application does not go through.
- **Incorrect School counselor /teacher email addresses:** Please check the exact spelling of the counselor and teacher names; make sure that the email address is a dot com or a dot org. Verify with the counselor and teacher what school email address they would like to use. Remember, only the 8<sup>th</sup> grade math teacher can write the recommendation letter
- **Proof of residency:** MUST be a September – November utility bill. We are not accepting driver's licenses or property bills. Read the User Manual for details.
- **Student photo.** Must be approximately 5 megabytes (min of 600 x 600 pixels)

## Before you begin your application, please note the following:

- Primary residence must be in Bergen County by September 1, 2025. If accepted, you must be registered in your town's school district regardless of the middle school you attend.
- Only 8th grade students can apply.
- If accepted, students will begin 9th grade year in September 2026, and graduate in 2030. Transferring into Bergen County Academies is not permitted.
- You must have a personal NON-SCHOOL email account (for example: [username@gmail.com](mailto:username@gmail.com)) to proceed. Add [admissions@bergen.org](mailto:admissions@bergen.org), [admissionsupport@bergen.org](mailto:admissionsupport@bergen.org) and [noreplyregistration@powerschool.com](mailto:noreplyregistration@powerschool.com) to your email contacts to ensure that all messages will make it through any email filters that you may have. If there are two or more children applying from the same family, each must have their **own** email address; otherwise, our system will automatically reject the applications.

### Frequently Asked Questions

**1. After the testing session, I heard some students discussing the test questions. May I do the same?**

Students who apply to the Bergen County Academies/ Bergen County Tech School district are bound by our honor code not to discuss any items from the test. This is similar to college honor codes. We expect all students applying to us to take our pledge seriously and refrain from such discussion with ANYONE. Similarly, we expect applicants to avoid discussing questions they were asked during their interviews. Applicants who violate the pledge (page 2, this User Manual) can have their applications rescinded.

**2. What programs do you recommend to prepare for the Admissions process (test and interview)?**

The Admissions department is not affiliated with ANY programs and/or tutors and does not make recommendations. What we do recommend is that, prior to taking the entrance test, all applicants review middle school English and Math course work and view the sample test on the Admissions website. Visit “Downloads” at the website ([www.bergen.org](http://www.bergen.org)) to see the sample. The interview process is a forum for our faculty to meet and speak with prospective students and learn about their interests. While we certainly endorse preparation for the test, it is important that applicants refrain from discussion of the test items or interview questions with anyone, as stated in the pledge (page 2, this User Manual).

**3. Is it acceptable for me to ask my parents/counselor/teachers to help me write my application essay?**

The Admissions Committee recommends that all applicants take the initiative and complete all parts of the application including the essay as independently as possible. The User Manual and application is designed with eighth graders in mind. Applicants having any issues with completing the application should contact [Admissionsupport@bergen.org](mailto:Admissionsupport@bergen.org).

**4. Can the transcript and recommendation forms be printed before the application is complete? Does the essay have to be completed before the application is submitted? If an incomplete essay is entered in the essay box(es), will it be read before the deadline?**

The entire application including the essay must be completed before submitting. NO revisions including school or program choices, counselor and teacher email addresses or additions to the essay will be accepted once the application is submitted. We expect every applicant to check all application sections including school and program being applied to, counselor and teacher names and email addresses, and application essay prior to submission. The Admissions department will send transcript and recommendation requests to the middle school guidance counselor and teachers whose names and email addresses are entered in the Schooling Information section of the online application. If you have a 504 plan or an IEP, and receive accommodations for testing, **you** must contact your guidance counselor at least 5 days before the test to let them know to expect an email from [admissionsrec@bergen.org](mailto:admissionsrec@bergen.org). We do not see any information in the application prior to submission.

**5. Do you accept additional recommendation letters outside of the attending middle school teachers in the application process?**

The Admissions Committee requires 3 recommendations from middle school teachers. If an applicant’s first choice is Academy for Visual and Performing Arts and would like to submit a letter from an Art/Music/Theatre instructor, the letter may be mailed to Admissions Office, Bergen County Academies, 200 Hackensack Ave, Hackensack, NJ 07601 or emailed to [Admissions@bergen.org](mailto:Admissions@bergen.org). Otherwise, more recommendations are unnecessary.

**6. When can I register for my test?**

Due to the volume of students who will be testing, we are unable to have applicants choose their test date and time. We will be selecting your test date and time for you. Please keep both Saturday, November 22, 2025 & Sunday, November 23, 2025, available between the hours of 7:30 a.m. to 1:00 p.m. You must check the [studentadmissions.bergen.org](http://studentadmissions.bergen.org) website **on or after November 13, 2025** to see your scheduled test date & time. Please print a copy of your test ticket from the website.

**7. What should I do if I am ill on the day of the test?**

WE EXPECT ALL APPLICANTS TO MAKE EVERY EFFORT TO ATTEND THEIR SCHEDULED TEST DATE & TIME. If you are unable to test due to illness or for an unforeseen emergency, you must **email [Admissions@bergen.org](mailto:Admissions@bergen.org) on Monday, November 24, 2025** and provide documentation/doctor's note for verification. We will provide you with the make-up test date.

**8. How long is the test?**

Testing takes approximately 2 hours.

**9. Are there any reasons for a test to be rescheduled?**

In the event of a power failure, the test may be postponed to a subsequent weekend. A recorded message will be available at 201.343.6000 ext. 2321 and information will be posted on our website at [www.bergen.org/admissions](http://www.bergen.org/admissions).

**10. I have a 504 Plan/ IEP and need accommodations for the entrance test. What should I do?**

Please tell your guidance counselor to expect an email from [admissionsrec@bergen.org](mailto:admissionsrec@bergen.org) within 5 days of your application submission.

**11. My 8<sup>th</sup> grade Math teacher does not know me well yet. May I ask my 7<sup>th</sup> grade Math teacher to write my math recommendation?**

The Admissions Committee receives questions like this every year. In some cases, the 8th grade Math teacher may be on medical leave or there could be a substitute teacher for the Math class. Regardless, the Committee requires the 8th grade teacher / substitute to write the Math recommendation because we need to know how the student is faring in the subject in 8th grade.

**12. My guidance counselor and teachers have not received the school transcript and recommendation requests. What should I do?**

After the application is submitted, **the Admissions department will request** transcripts and recommendations from your counselor/ school administrator and teachers using the email addresses that you have entered in the application under **Schooling Information**. It is imperative that students verify the email addresses on the [studentrecs.bergen.org](http://studentrecs.bergen.org) site by December 1, 2025 so that the Admissions department can receive recommendations, transcripts and testing accommodations (if necessary) from your school(s). If you have a 504 plan or an IEP, and receive accommodations for testing, you must contact your guidance counselor to let them know to expect an email from [admissionsrec@bergen.org](mailto:admissionsrec@bergen.org).

If your counselor and teachers have not heard from us within a week after you submitted your application, please email [admissionsupport@bergen.org](mailto:admissionsupport@bergen.org).

**13. When will I receive my exam results?**

All applicants to the Bergen Academies and dual applicants will be notified in February (through [studentrecs.bergen.org](http://studentrecs.bergen.org)) about whether they will continue in the application process. Test scores are NEVER released to applicants or parents/guardians.
