SECTION 1

INTRODUCTION AND GENERAL INFORMATION

1.1. Introduction and Purpose

The Board is soliciting Qualification Statements from interested persons and/or firms for the provision of professional engineering services, as more particularly described herein. Through a Request for Qualification process described herein, persons and/or firms interested in assisting the Board with the provision of such services must prepare and submit a Qualification Statement in accordance with the procedure and schedule in this RFQ. The Board will review Qualification Statements only from those firms that submit a Qualification Statement which includes all the information required to be included as described herein (in the sole judgment of the Board). The Board intends to qualify person(s) and/or firm(s) that (a) possesses the professional, financial and administrative capabilities to provide the proposed services, and (b) will agree to work under the compensation terms and conditions determined by the Board to provide the greatest benefit to the taxpayers of the County of Bergen. The successful Respondent will provide the Board with engineering services relating, but not necessarily limited to, planning, studies, reports, surveys, construction administration, engineering design, or related matters as directed by the Board. The successful Respondents shall have experience in providing a broad range of engineering services to schools and education communities.

1.2. Project/Services

The Board of Education of the Special Services Schools in the County of Bergen is soliciting qualifications for an engineer for the period starting July 1, 2023, and ending June 30, 2024, or such time as the Board may reorganize. The engineer shall be required to perform the following services for the Board on an as-needed basis:

- Mechanical, Environmental, Structural, and Civil Engineering Design and Consultation
- Provide Facility Assessment
- Long-Range Facility Planning
- Construction Administration
- Site Evaluations
- Schematic Concept Development
- Construction Project Budget Projections

1.3. Background

BCSS is a unique county-wide public-school district that was established through an act passed by the New Jersey Legislature in 1971. Distinguished as the first Special Services school district in New Jersey, Bergen County is now one of eight such Districts funded by county, state, and sending schools. The mission of the BCSS School District is to effectively address the unique social, emotional, physical, intellectual and career needs of students with disabilities. The District offers a broad spectrum of special education programs and services for children and adults with diverse learning disabilities. Further information regarding the School District can be obtained on the District's website <https://bcss.bergen.org/>.

1.4. Procurement Process and Schedule

The selection of Qualified Respondents is not subject to the provisions of 18A:18A-1 et seq. Public School Contracts Law. The selection is subject to the "New Jersey Pay-to-Play" Law, P.L. 2005 c.271 N.J.S.A. 40A:11-51. The engineer is advised of the responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission pursuant to N.J.S.A. 19:44A-20.13 if the contractor receives contracts in excess of \$50,000.00 from public entities in a calendar year. It is the contractor's responsibility to determine if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

The Board has structured a procurement process that seeks to obtain the desired results described above, while establishing a competitive process to assure that each person and/or firm is provided an equal opportunity to submit a Qualification Statement in response to the RFQ. Qualification Statements will be evaluated in accordance with the criteria set forth in Section 2 of this RFQ, which will be applied in the same manner to each submission received.

Qualification Statements will be reviewed and evaluated by the Board and its legal, professional, and/or financial advisors (collectively, the "Review Team"). The Qualification Statements will be reviewed to determine if the Respondent has met the minimum professional, administrative and financial areas described in this RFQ. Under no circumstances will a member of the Review Team review responses to an RFQ for a job which they or their firm submitted a response. Based upon the totality of the information contained in the Qualification Statement, including information about the reputation and experience of each Respondent, the Board will (in its sole judgment) determine which Respondents are qualified (from professional, administrative and financial standpoints). Each Respondent that meets the requirements of the RFQ (in the sole judgment

of the Board) will be designated as a Qualified Respondent and will be given the opportunity to participate in the selection process determined by the Board.

The RFQ process commences with the issuance of this RFQ. The steps involved in the process and the anticipated completion dates are set forth in Table 1 below. The Board reserves the right to, among other things, amend, modify or alter the procurement schedule upon notice to all potential Respondents.

All communications concerning this RFQ or the RFQ process shall be directed to the Board's designated contact person, in writing or via email.
