SECTION 1

INTRODUCTION AND GENERAL INFORMATION

1.1. Introduction and Purpose

The Board is requesting Qualification Statements from interested individuals and/or firms for the provision of Special Counsel, as detailed herein. Through a Request for Qualification process outlined here, interested parties must prepare and submit a Qualification Statement following the procedures and schedule specified in this RFQ. The Board will evaluate Qualification Statements only from those firms that include all required information as described herein (at the sole discretion of the Board). The Board aims to qualify person(s) and/or firm(s) that (a) have the professional, financial, and administrative capabilities to deliver the proposed services, and (b) agree to work under compensation terms and conditions set by the Board to maximize benefits for the taxpayers of Bergen County.

1.2. Project/Services

The Board of Education of the Special Services Schools in the County of Bergen is soliciting qualifications for professional legal counseling services as Special Legal Counsel Attorney for the period commencing July 1, 2026, and ending June 30, 2027, or such time as the Board may reorganize. The legal counsel/Special Counsel shall be required to perform the following services for the Board:

- Advice and counsel to the Board related to the renegotiation of the Interlocal Services Agreement with Bergen County Technical Schools District;
- Performance of objective and neutral investigation services (including but not limited to interviewing parties and witnesses, gathering and preserving physical evidence, and preparing written investigative reports, including findings and conclusions) in which the District determines there exists a need for an independent investigator with respect to complaints of workplace employment harassment, discrimination, retaliation, and the like.
- Any other legal matters with respect to which the Board Attorney may possess a conflict of interest.

1.3. Background

BCSS is a unique county-wide public school district established by an act passed by the New Jersey Legislature in 1971. Distinguished as the first Special Services school district in New Jersey, Bergen County is now one of eight such districts funded by the county, state, and sending schools. The mission of the BCSS School District is to effectively address the unique social, emotional, physical, intellectual, and career needs of students with disabilities. The district offers a broad spectrum of special education programs and services for children and adults with diverse learning disabilities. Further information regarding the School District may be obtained on the district's website <https://bcss.bergen.org/>.

1.4. Procurement Process and Schedule

The selection of Qualified Respondents is not governed by the provisions of 18A:18A-1 et seq. of the Public School Contracts Law. Instead, it is subject to the "New Jersey Pay-to-Play" Law, P.L. 2005 c.271 N.J.S.A. 40A:11-51. The architect is advised to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission if the contractor receives contracts exceeding \$50,000.00 from public entities within a calendar year. It is the contractor's responsibility to determine whether filing is required. Additional information can be obtained from ELEC at 888-313-3532 or www.elec.state.nj.us.

The Board has designed a procurement process aimed at achieving the goals mentioned above while ensuring fair competition so that every individual and/or firm has an equal chance to submit a Qualification Statement in response to the RFQ. Qualification Statements will be evaluated based on the criteria outlined in Section 2 of this RFQ, which will be applied consistently to all submissions received.

Qualification Statements will be reviewed and assessed by the Board and its legal, professional, and/or financial advisors (collectively, the "Review Team"). These statements will be scrutinized to verify whether the Respondent has met the minimum requirements in professional, administrative, and financial areas as specified in this RFQ. Under no circumstances will any member of the Review Team evaluate responses to an RFQ for a project in which they or their firm has submitted a response. Based on the overall information provided in the Qualification Statement, including the reputation and experience of each Respondent, the Board will (at its sole discretion) determine which

Respondents are qualified from a professional, administrative, and financial standpoint. Each Respondent that satisfies the RFQ requirements (at the sole judgment of the Board) will be deemed a Qualified Respondent and will be eligible to participate in the selection process as determined by the Board.

The RFQ process begins with issuing this RFQ. The steps involved and expected completion dates are listed in Table 1 below. The Board reserves the right, among other things, to change, modify, or adjust the procurement schedule with notice to all potential Respondents.

All communications concerning this RFQ or the RFQ process shall be directed to the Board’s designated contact person, in writing or via email.

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of N.J.S.A. 19:44A-20.26. This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$200 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit

- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Ownership Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**
