The calendar includes four (4) emergency days. **In the event that make-up days are needed beyond those, they will be scheduled on school recess days, non-statutory school holidays and/or weekend days within the school year.** All such recess and school holiday dates are tentative for this reason. Spring recess and staff development dates are also tentative contingent upon state test dates being finalized. The final day of school may be changed depending upon the number of emergency days used. The minimum number of days of attendance for students within the school calendar will be 180. The maximum number of days of attendance for teachers within school calendar will be 184. If any of the four (4) emergency days are not needed, they will be given back by closing school a corresponding number of days in April, May and/or June.
