#### **1.3 Background**

Bergen County Technical Schools was founded in 1942 to oversee the County's growing need for vocational education. At that time, students studied the union trades of plumbing, carpentry, masonry and electrical work. Over the years, the cornerstone of Bergen County Technical Schools' success has been the ability to continually adapt academic and skill preparation programs to meet to the changing needs of industry and business. As a high school option for students in the County, the district's programs must remain market driven. The county high schools are located in Hackensack, Paramus and Teterboro, Old Tappan and Demarest and provide education to nearly 3,300 students annually.

Bergen County Technical Schools also provides Adult and Continuing Education at our various campuses. With nearly 20,000 students enrolled yearly, BCTS provides full-time and part-time courses to adult enrollees. For further information, please visit the district website [www.bergen.org/bcts](http://www.bergen.org/bcts).

#### **1.4 Procurement Process and Schedule**

The selection of Qualified Respondents is not subject to the provisions of 18A:18A-1 et seq. Public School Contracts Law. The selection is subject to the "New Jersey Pay-to-Play" Law, P.L. 2005 c.271 N.J.S.A. 40A:11-51. The insurance consultant is advised of the responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission pursuant to N.J.S.A. 19:44A-20.13 if the contractor receives contracts in excess of

\$50,000.00 from public entities in a calendar year. It is the contractor's responsibility to determine if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at [www.elec.state.nj.us](http://www.elec.state.nj.us).

The Board has structured a procurement process that seeks to obtain the desired results described above, while establishing a competitive process to assure that each person and/or firm is provided an equal opportunity to submit a Qualification Statement in response to the RFQ. Qualification Statements will be evaluated in accordance with the criteria set forth in Section 2 of this RFQ, which will be applied in the same manner to each Qualification Statement received.

Qualification Statements will be reviewed and evaluated by the Board and its legal, professional, and/or financial advisors (collectively, the "Review Team"). The Qualification Statements will be reviewed to determine if the Respondent has met the minimum professional, administrative and financial areas described in this RFQ. Under no circumstances will a member of the review team review responses to an RFQ for a job which they or their firm submitted a response. Based upon the totality of the information contained in the Qualification Statement, including information about the reputation and experience of each Respondent, the Board will (in its sole judgment) determine which Respondents are qualified (from professional, administrative and financial standpoints). Each Respondent that meets the requirements of the RFQ (in the sole judgment of the Board) will be designated as a Qualified Respondent and will be given the opportunity to participate in the selection process determined by the Board.

The RFQ process commences with the issuance of this RFQ. The steps involved in the process and the anticipated completion dates are set forth in Table 1, Procurement Schedule. The Board reserves the right to, among other things, amend, modify or alter the Procurement Schedule upon notice to all potential Respondents.
