# Interview Questions

Below are common questions that an employer might ask you on an interview.

Write your answers to each question. Remember to think about the best way to tell the truth about each question. Use this website as a resource to guide you in answering the questions; <https://www.thebalancecareers.com/top-interview-questions-and-best-answers-2061225>

1. What are your strengths?
2. What are your weaknesses?
3. Where do you see yourself in 5 years from now?
4. How can you be a benefit to this company?
5. Why should we hire you over someone else?
6. How do you handle stress?

**7. Describe a difficult situation and how you overcame it.**

**8. What are your future goals?**
