The Coordinator of Facilities or his/her designee of the Superintendent of Schools will contact Association members when the District is closed during the week, including weekends and holidays due to inclement weather.

When the District is closed due to inclement weather, employees who report to work will be provided an additional vacation day as well as compensation for working the inclement weather day.

Employees requested to report on another shift, as opposed to “reporting for work as usual” as referenced above, that refuse or are unable to do so will be charged one (1) day of paid leave.

The parties agree to meet annually during the month of May to review the implementation of this Article and Article XX, and to make adjustments that may be needed to improve reasonableness, equity and operational effectiveness.

ARTICLE XX

STATE OF EMERGENCY

No deduction in salary shall be made for any employee who is absent due to travel restrictions resulting from a national disaster or other extraordinary circumstances which make it impossible for the employee to report to work. The employee may submit documentation to support the reason for his/her absence. The Superintendent or his/her designee will review the documentation and decide if the claim has merit and no deduction shall be made, or available leave time will be charged, or pay deducted (if no paid leave time remains).

ARTICLE XXI

DURATION OF AGREEMENT

This Agreement shall be effective as of July 1, 2018, and shall continue in effect until June 30, 2021. All other terms and conditions of employment in effect on the date of this agreement shall remain in effect for the term of the Agreement.
