Howard Lerner, Ed.D.
Superintendent

Hello,

To help limit the spread of COVID-19 (novel coronavirus), the Bergen County Executive, upon the recommendation of the County Health Officer, directed that the Bergen County Technical Schools and Special Services School Districts close school for all students, effective Wednesday, March 11, 2020. Governor Murphy subsequently closed all public schools in New Jersey for students until further notice under Executive Order No. 104 (issued March 16, 2020). Remote instruction will replace in-school instruction during this time.

All field trips, internships, athletics and other extracurricular activities that operate in BCSS and BCTS schools and programs are also cancelled for as long as schools are closed. School and district administration will keep all families and staff informed as additional information develops.
