

Attention! Irregular SSI payments

The SSI payment usually occurs on the first weekday of the month. However, multiple irregular payments are scheduled for the remainder of this year. You may receive two payments or none in certain months per the [Social Security Administration's Schedule of Benefit Payments for 2024](#).

- 2 payments in May (May 1 and 31)
- NO payment in June;
- 1 payment on July 1;
- 2 payments in August (August 1 and 30);
- NO payment in September;
- 1 payment on October 1;
- 2 payments in November (November 1 and 29); and
- NO payment in December

SSI recipients should make sure that their resources will remain under \$2,000 in June, September, and December.
