

BAC is excited to offer a Music Therapy Group!

During this program learners will work with St. Joseph's Children's Hospital music therapist, Gregory Rupp, MM, MT-BC. Music therapy addresses emotional and social needs through musical expression. Learners will sing, play instruments, and listen to music as a group.

¡BAC se complace en ofrecer un grupo de musicoterapia!

Durante este programa, los estudiantes trabajarán con el musicoterapeuta del St. Joseph's Children's Hospital, Gregory Rupp, MM, MT-BC. La musicoterapia aborda las necesidades emocionales y sociales a través de la expresión musical. Los estudiantes cantarán, tocarán instrumentos y escucharán música en grupo.
