### CSOC Qualified Alternative Recreational Sessions (ARS) Providers

The Department of Children and Families (DCF) and CSOC are offering Alternative Recreational Sessions (ARS) as an additional component of Summer Camp. ARS provides youth an opportunity to engage in a recreational activity with peers within the community, on a per session basis, rather than a full day of camp. This shorter time frame will increase camp access for youth who may benefit from **a brief structured period** compared to a longer traditional camp day.
