Mission: Kid Success (MKS) is a 501(c)(3) charitable & educational organization that aids children struggling with academic, social, behavioral, & developmental challenges due to Autism, ADHD, & other Neurodevelopmental conditions. While many therapeutic services are available to help these children improve their quality of lives and outcomes, many families find the out-of-pocket costs for these needed services overwhelming. MKS is 100% volunteer run & administrative costs are covered by the MKS board members & sponsors so all donations received go directly to funding grants.
